Monday - 11 August 1975

[REDACTED]

1. [REDACTED] Called Frank Sullivan, on the staff of the Senate Armed Services Committee, regarding the need for Agency doctors to have immunity from malpractice suits. Sullivan agreed that an amendment to the bills giving immunity to Department of Defense doctors is a possible way of handling this problem, and asked that we provide him draft legislation on this subject.

2. [REDACTED] Called Hilda Schreiber, OMB, for clarification of OMB's request for our views on Secretary Kissinger's letter regarding the taxation of overseas allowances.

3. [REDACTED] Called Ms. Lathan, secretary to Jeff Weinberg in the Office of the Assistant Director for Legislative Reference, OMB, to alert her that our response on the request for our comments on garnishment legislation would be delivered shortly.

4. [REDACTED] Peter Hughes, Special Assistant to Senator Harry Byrd (D., Va.), called and asked about the status of the FOIA request on behalf of [REDACTED] I mentioned to Hughes that we have been snowed under by FOIA requests and we are getting to them as rapidly as possible but that I would check on Ms. [REDACTED] inquiry and one of us would be back in touch with him.

5. [REDACTED] Talked to John Allen, Legislative Assistant to Representative Robert L. F. Sikes (D., Fla.), who said that Mr. [REDACTED] had been in to see him last Thursday but he had appeared quite excited and nervous about a recent trip that he had made abroad and wanted to provide Allen with information concerning it. (See Memorandum for the Record.)
